Footnotes:

- 1/ FY 2013 CR funding levels after sequester are based on the Congressional Budget Office's (CBO) calculations of the across-the-board percentage cut in its recently released *Budget and Economic Outlook* for FYs 2013 to 2023. Specifically, CBO approximates a 5.8% cut for nondefense mandatory programs and a 5.3% cut for nondefense discretionary programs.
- 2/ Amounts exclude funds appropriated in the Affordable Care Act (ACA), either directly or through the Prevention and Public Health Fund.
- 3/ In FY 2012, REAL ID and Citizen Corps could be funded through SHSGP and/or UASI allocations.
- 4/ Data reflect program years rather than fiscal years.
- 5/ The president's FY 2013 budget uses \$15 million from the Adult Basic and Literacy Education State Grants appropriation and \$10 million from the Vocational Rehabilitation State Grants appropriation to fund the Workforce Innovation Fund (WIF).
- 6/ Amounts exclude contingency funds. TANF is authorized through March 27, 2013. The president's budget proposes \$319 million for supplemental grants in FY 2013. Supplemental grants were not funded in FY 2012.
- 7/ FY 2012 funds reflect transfers by the secretary of HHS in accordance with the appropriations language.
- 8/ FY 2012 budget does not provide funding for contingency funds. The president's FY 2013 budget proposes \$2.8 billion for formula grants and \$200 million for contingency funds. The Senate includes \$3.4 billion for formula grants and \$100 million for contingency funds.
- 9/ The FY 2012 enacted budget includes a 0.189% rescission to discretionary funding in the departments of Labor, HHS, and Education.
- 10/ The FY 2012 enacted budget includes a 0.16% rescission to discretionary funding in the Environmental Protection Agency.
- 11/ This program receives an advance appropriation. The 0.189% rescission included in the FY 2012 budget does not apply to the FY 2013 advance portion for these programs.
- 12/ The House appropriations committee has yet to approve a FY 2013 Labor-HHS-Education bill or release a full report. Thus, many of the House FY 2013 funding levels for these programs remain unknown. Any funding levels listed are taken from the House's draft bill text or the subcommittee's press release.
